Re: Plant Health Intermediate, Inc. v. Campbell (Request for extension of remaining deadlines)  
Case Nos. 19-CV-3017, 20-CV-07249, and 21-cv-07920

Dear Judge Halpern:

The parties file this joint letter-motion in the above referenced actions to request a brief extension of the close of discovery and expert discovery deadlines, currently set for July 29, 2022.

All expert reports and rebuttal reports have been exchanged by the parties. Pursuant to the court's sixth scheduling order of February 15, 2022, all expert depositions are to be completed by July 29, 2022. The parties respectfully request that this deadline, as well as the end date for discovery, be extended to August 11, 2022, to accommodate the schedules of the parties' expert witnesses.

We note that the court has scheduled a case management conference for August 29, 2022 at 11 a.m.

The purpose for this request to extend the deadline to conduct expert depositions and the end date for discovery is so that the parties can accommodate the schedules of the expert witnesses, and to allow sufficient time to comply with Fed. R. Civ. P. 56(b) and this Court's Rules and Individual Practices after the conclusion of expert depositions.

A proposed order is attached. Thank you for your consideration of this request.

Honorable Philip M. Halpern, U.S.D.J.
